Seeking a Sign

“Then the Pharisees came out and began to dispute with Him, seeking from Him a sign from heaven, testing Him. But He sighed deeply in His spirit, and said, “Why does this generation seek a sign? Assuredly, I say to you, no sign shall be given to this generation.” Mark 8:11-12

Some people you just can't please. The Pharisees just saw Jesus feeding the multitude and they are still asking for a sign from heaven.

Many seafarers need more signs of God's love for them before they believe in Jesus as their Saviour.

There are plenty of signs out there for them to see.

1. Sun, Moon and Stars
2. The vast seas
3. Answers to prayers to bring them out of the storms on the ocean
4. The Bible in many languages that we give
5. Our face to face compassion in action

Please pray we can do our part in showing the signs of Jesus' love to the seafarers coming to our shores.

Sign of Smiling Faces and Servant Hearts

We want to reflect our love for Jesus and the seafarers through our service and smiles.

Pray they may see a clear sign of our Saviour.

Sign of Sun, Moon, Stars and Seas

In Romans Chapter 1 it says, “because what may be known of God is manifest in them, for God has shown it to them. For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead”

Pray the seafarers see evidence of God through His creation as they navigate the seas. Pray for us as we explain to them what they are seeing.

Show Signs and Share the Saviour

We are blessed to be able to show signs of God's goodness through our free transportation service to shopping and their ships.

Pray that when we do this service we share our Saviour simply and clearly.

The Worth of a Sign

What is it worth for these men to see a sign and understand the meaning?

It is worth eternity.
